

## A Person-Centered Plan Means ...

- having goals that are important to you
- having your choices and preferences respected
- setting priorities
- having assurances of health and safety
- being cost-minded
- understanding outcome of choices

*person-centered planning is about ....*

# you

*with support*

# you

*can make it happen!*

Person-centered planning is the law. The Michigan Mental Health Code establishes the right of all consumers of the public mental health system to a person-centered planning process.

To begin the person-centered planning process, please call ...  
Venture Behavioral Health toll free at 1-888-357-0016.

Or, you may call your local mental health provider listed below.

Summit Pointe  
140 W. Michigan Ave.  
Battle Creek, MI 49017

**IT'S ABOUT ...**

# you

## Person-Centered

*Building quality life options*

**you**  
*are the center of planning ...*

- Your Thoughts
- Your Hopes
- Your Choices
- Your Talents
- Your Preferences
- Your Contributions

*... and what is important to you.*

**you**  
*and those who care about you.*

- Your Family
- Your Friends
- Your Companions
- Your Roommates
- Your Helpers
- Your Co-workers

*... all of those people you trust.*

**you**  
*can build a better future ....*

- At Home
- At Work or School
- At Church or Temple
- In the Community
- Alone, or With Friends
- With Family

*... it is YOUR life, and you do have choices.*
