

Veteran Navigator Calhoun County

Veteran Navigators can:

- Assist Veterans with utilizing resources and navigating services made available throughout Calhoun County, the State of Michigan, and the Dept of Veterans Affairs
- Guide and connect Veterans seeking to filing a claim for a service connected disability
- Connect and link Veterans and their families to resources for substance abuse, mental health treatment, physical health needs, housing, and food resources

Summit Pointe is proud to be a place Veterans can turn to for support through the Veteran Navigator Program.

There is no charge for this service for the Veteran and their families and they do not have to be enrolled in any other Summit Pointe programs for this assistance.

Michele Pascoe, Veteran Navigator, is available to assist Veterans and/or their families over the phone and in person. As a military Veteran, Michele understands the hardships and issues Veterans can face.
